REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art does not teach or suggest a MOS transistor having the features as set forth in the claims. In particular, the source/drain regions in an epitaxial layer contacting side portions of a gate dielectric layer, with insulating sidewall spacers having bottom surfaces extending as recited in claim 27, is not taught. Prior art references are cited which show some similar features in the art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to S. Crane, whose telephone number is (571) 272-1652.

The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.
